Content of report:

The Management Board of PAMAPOL S.A. (the “Issuer”) announces that in Current Report No. 26/2011 of 1 June 2011, due to wrongly accepting an average EUR rate instead of the average USD rate, a wrong calculation was made in the value of the agreement concluded between the Issuer and Spetsializirovanniy Organizator Targov Sp. z o.o. with its registered office in Moscow (SOT Sp. z o.o.).

It was stated in the report that: “The total value of the subject of the Agreement is USD 5 million, which according to the average rate of exchange at the NBP as on the day of publication of this report is PLN 19,784,500”, whereas it should have stated: “The total value of the subject of the Agreement is USD 5 million, which according to the average rate of exchange at the NBP as on the day of publication of this report is PLN 13,734,000”.

At the same time, the Issuer announces that, in the remaining scope, in particular with respect to the value of the agreement as being USD 5 million, the report is correct.
